1. Save page 1 until step 7. You'll need it for the following instructions.
2. Fold pages 2-4 along pink lines as shown.
3. Slide the ends of 2 and 4 into 3 and tape. Be sure the red line lines up.
4. Slide remaining ends together to form circle. Do not tape yet.
5. Place on head and adjust to correct size. Tape into place.
6. Remove hat and press flat at the front center fold line (blue dotted line). Then press flat to the rear of the hat, so that you have a crease at the front and back. Put aside until step 8.
7. Fold page 1 along pink lines as shown to form top of hat. Then flatten and insert into hat ring. Trim if necessary.
8. Tape top of hat (from step 7) to inside of hat ring (from step 6) being sure instructions face down, so they are not seen.
9. Wear Proudly. Share photos of your Johnny Rockets hat on Facebook, or Instagram.
